Parents, have you heard of YMCA Corporate Membership?

Corporate Membership is a YMCA Membership connected to your place of work (for those who qualify). Corporate membership gives you a waived Join Fee when you begin your membership, as well as a 10% discount on monthly membership fees (15% if your business/place of work has enough participants doing Corporate Memberships.) Payments for your membership either are taken directly from your **PAYCHECK (for Corporates that offer this)**, or by receiving the **discount in-house** at the Warren County YMCA and setting up Monthly, Quarterly, Semi-Annual, or Annual Membership Payments. **(Monthly payments must be set to automatically be withdrawn monthly via a Credit/Debit Card or Bank Account.)**
