

Dear After-School Families,

For those who are new to my program, I would like to introduce myself. My name is Emily Brooks and I am the Membership/Youth Development Director for the Warren County YMCA. I have been in the Y movement for 6 years and I enjoy every minute of it! I am married to my best friend; Jake Brooks and we have two sweet pups at home; Cash & June! We also have our first baby on the way who is due this fall, Jackson Samuel Brooks. Jack's arrival to the world is the reason behind this letter.

Being able to care for the community kids during the school year and summertime is the best part of my job, however, with my little Jack on the way, I will be taking care of my family as I go on maternity leave from November-January. That is the plan for now, most of you know that anything can happen, so I am prepared in case I do need to leave the Y earlier than expected. While I am gone, my ASP Coordinator, Hayley Moore, will be stepping in to help the ASP team and kids while I am away with my family.

Hayley has been with my programs for over 3 years now and she is a wonderful addition to our Y family. If you need to contact Hayley for anything at all like, early pick-up, letting her know your child won't be at ASP, or questions about ASP - you will contact her through the Remind App. Please understand that Hayley will be available from 8:00am-5:30pm for you to message her. She will not respond to you after hours. If you need to talk to a director at the Warren County YMCA, please contact Staci Bass at 309-734-3183 or staci@warrencountyyymca.org. Staci will be the head Director of the after-school program during my absence.

We are excited to have your child(ren) participate in the after-school program, and I can't wait to meet them this fall before I leave for maternity leave. If you have any questions or concerns before my maternity leave, please feel free to contact me at 309-734-3183 or emily@warrencountyyymca.org.

Kindly,
Emily Brooks
Membership/Youth Development Director
