Parents, have you heard of YMCA Corporate Membership?

Corporate Membership is a YMCA Membership connected to your place of work (for those who qualify). Corporate membership gives you a waived Join Fee when you begin your membership, as well as a 10% discount on monthly membership fees (15% if your business/place of work has enough participants doing Corporate Memberships.) Payments for your membership either are taken directly from your PAYCHECK (for Corporates that offer this), or by receiving the discount in -house at the Warren County YMCA and setting up Monthly, Quarterly, Semi-Annual, or Annual Membership Payments. (Monthly payments must be set to automatically be withdrawn monthly via a Credit/Debit Card or Bank Account.)
