Parents, have you heard of YMCA Corporate Membership?

Corporate Membership is a YMCA Membership connected to your place of work (for those who qualify). Corporate Membership gives you a waived Join Fee when you begin your membership at the Warren County YMCA, as well as a 10% discount on monthly membership fees (15% if your business/place of employment has enough participants doing Corporate Memberships). Payments for your membership are either taken directly from your PAYCHECK (for CORPORATE PARTNERS that offer this), or by receiving the discount in-house here at the Warren County YMCA and setting up Monthly, Quarterly, Semi-Annual, or Annual membership payments. (Monthly payments must be set to automatically be withdrawn monthly via a Credit/Debit Card or Bank Account.)

How does this affect my child participating in Youth Sports at the Warren County YMCA?

If you currently have or open a new FAMILY or SINGLE PARENT Corporate Membership with the Warren County YMCA, your child(ren), who will be active on the account, will be eligible to be registered for Warren County YMCA Youth Sports...FOR FREE! *THIS DOES NOT INCLUDE YOUTH SWIM LESSONS, TUMBLING, AFTER SCHOOL PROGRAM OR CAMP MESKWAKI DAYCAMP.
