

FOR YOUTH DEVELOPMENT®
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY

All **NEW** families who are applying for state aid with the Warren County YMCA must understand the policies that we have in place upon waiting for approval of your application. Please read thoroughly and sign below.

1. Any **NEW** family who applies for state aid with Child Care Resource and Referral of Midwestern Illinois will not have to pay the Warren County YMCA until the status of their application has been received by the provider and family. While families send their child(ren) to the Warren County YMCA for After-School, School's Out Day Camp, or Camp Meskwaki Summer Day Camp, the Youth Development Director will keep track of the weeks they attend. If the family does not get accepted by CCR&R they **MUST** pay the full price for the weeks their child(ren) attended.

I have read and understand the policies in place regarding the Child Care Resource & Referral application process. I understand that I will not be charged upon waiting to hear the status of my application. I understand that if I am **not** accepted into the program with Child Care Resource & Referral of Midwestern Illinois that I will have to pay the full price for the time my child(ren) attended the program. If I fail to make the payments accordingly then my child(ren) will no longer be able to attend the Warren County YMCA programming until my dues are paid in full.
